DETAILED ACTION

1. Amendment and response filed by applicants dated Jun 9, 2008 have been entered and considered carefully.

Claims 15-18, 20-21 have been canceled. Claims 1-14, 19 and newly added 22 are pending.

Claim 22 is drawn to a method of using multiple active ingredients for treating depression. Method of treating disorder using a single active ingredient and the method of treating disorder using multiple active ingredients are patentably independent and distinct inventions. The process of using a single active ingredient depends on the dosage and efficacy of the single ingredient. The process of using multiple active ingredient not only depends on what the ingredients are, but also the quantitative relationship, their activity/interaction, and route of administration, i.e. co-administered, sequential etc.. Therefore, the search for each category is not co-extensive and separate search and examination must be conducted.

The multiple active ingredient method was not presented in the original claims. Therefore, an election based on original presentation is hereby made to prosecute claims 1-14 and 19. Claim 22 is withdrawn from consideration per 37 CFR 1.142(b).

2. The objection and rejection of claims 15-18 under 37 CFR 1.75 or 35 USC 112 first paragraph are dropped in view of the cancellation of the claims.

3. The provisional rejection of claims 1-11 and 19 under the judicially created doctrine of obviousness type double patenting is dropped in view of the presentation by applicants that the three dimensional comparison between the core of the instant claims and the secondary reference WO 03/057220 would not be considered being analogous by one having ordinary skill in the chemical art. Therefore, one having ordinary skill would not modify a compound of the instant claims using the properties of the different heterocyclic core compounds of WO 03/057220. Therefore, this obviousness type double patenting is dropped.

4. This application is in condition for allowance except for the formal matter of the cancellation of the non-elected claim 22.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

5. Claims 1-14 and 19 are allowable upon cancellation of claim 22.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Celia Chang, Ph. D. whose telephone number is 571-272-0679. The examiner can normally be reached on Monday through Thursday from 8:30 am to 5:00 pm.
